### SCHOOL

LYCEUM INTERNATIONAL  
SCHOOL, WATTALA.

### TECHNICAL SKILLS

- PHP & Laravel Framework
- HTML, CSS, JavaScript
- MySQL & SQL Server
- REST API Integration
- Flutter & Dart (Mobile Apps)
- Git & GitHub
- Manual Testing & Laravel Dusk
- Agile & Scrum Practices
- C# & .NET Framework

### OBJECTIVE

Motivated and detail-oriented second-year undergraduate student pursuing a Bachelor of Science (Hons) in Computer Science (Software Development). Eager to gain practical experience in software engineering and contribute to innovative projects through skills in full-stack development, mobile app creation, and quality assurance. Passionate about building efficient, user-friendly solutions and growing within a dynamic and collaborative tech environment.

### EDUCATION

#### BSc (Hons) Computer Science (Software Development)

Staffordshire University (UK) - Expected Graduation: 2026

- Completed first- and second-year curriculum with a strong focus on software engineering principles, full-stack development, database management, and agile methodologies, while building hands-on experience through academic projects and team collaborations.

#### Cambridge Advanced Level Examination - 2023

- Accounting - C
- Economics - D
- Business - E

#### Cambridge Ordinary Level Examination - 2021

- Accounting - A\*
- Business Studies - A\*
- Economics - A\*
- Computer Science - A\*
- Mathematics - A
- Literature In English - A
- English - B

## SOFT SKILLS

---

- Problem-Solving & Troubleshooting
- Team Collaboration & Communication
- Languages: English (Fluent), Sinhala (Fluent)
- Time Management & Adoptability

## PROJECTS

---

### **Techtify E-Commerce Website - Laravel, PHP, MySQL, Tailwind, REST API**

- Built a complete e-commerce platform with an admin dashboard, product/order management, and API integration.

### **Techtify Mobile App - Flutter, Dart, REST API**

- Developed a mobile version of Techtify with product browsing, cart functionality, and seamless integration with Laravel backend.

### **DDS Desktop Apps - C#, SQL Server**

- Created desktop applications simulating Binary Search Tree (BST) and Stack operations with database storage.

### **Fledge Job Platform - Laravel, Tailwind CSS, MySQL, JSON Auth**

- Served as Scrum Master for a student job portal. Managed sprints, coordinated tasks, and tested core features. Platform includes student registration, job applications, CV uploads, and employer dashboards.

## LEADERSHIP

---

### **Scrum Master / Project Manager - Fledge Job Platform (2025)**

- Led sprint planning, coordinated team tasks, and ensured timely delivery of project milestones.

### **Student Representative - Lyceum International School (2016-2017)**

- Looked after student needs and assisted teachers in organizing events and activities.

## ACHIEVEMENTS

---

- **PMI Agile Certified Practitioner (PMI-ACP®)** - 2025
- **Flutter Essential Training: Build for Multiple Platforms** - 2025
- **Artificial Intelligence Foundations: Machine Learning** - 2025
- **Power BI Essential Training** - 2025
- **Data Engineering Foundations** - 2025
- **Business Analysis Foundations: Competencies (IIBA®)** - 2025
- **SURGE Designathon (2025): Top 10 Finalist** - Recognized for creative problem-solving and collaborative UI/UX design as part of Team Glitch and Glam.
- **Certificate of Academic Excellence** - Accounting, Grade 12 (2022)
- **Community Service** - 2017, 2022
- **Cricket Tournament** - 1st Runners-Up, 2023
