Results-driven undergraduate in Computer Science with a versatile background in software development, project coordination, and business analysis. Experienced in full-stack development, sprint-based workflows, team leadership, and agile methodologies. Quick learner, strong communicator, and passionate about solving problems through technology and collaboration.

KEY SKILLS

- **Development:** HTML, CSS, JavaScript, PHP, Laravel, SQL, Dart, Flutter
- **Databases:** MySQL, SQL Server, JSON handling
- **Project Management:** Agile & Scrum, Sprint Planning, Task Coordination, Documentation
- **Tools:** GitHub, Trello, Notion, Firebase, REST APIs
- **Testing & Debugging:** Unit Testing, Laravel Dusk, Bug Fixing
- **Soft Skills:** Communication, Leadership, Team Collaboration, Problem-Solving

PROJECTS

- **Techtify E-Commerce Website – Laravel, PHP, MySQL, Tailwind, REST API** – Built a complete e-commerce platform with admin dashboard, product and order management, and API integration.
- **Techtify Mobile App – Flutter, Dart, Firebase, REST API** – Developed a mobile version of the Techtify store with product browsing, cart, and integration with Laravel backend.
- **DDS Desktop Apps – C#, SQL Server** – Created desktop apps simulating BST and Stack operations with database storage.
- **Fledge Job Platform – Laravel, Tailwind CSS, MySQL, JSON Auth** – Scrum Master for a student job portal. Managed sprints, coordinated tasks, and ensured timely delivery. Features include student registration, job application, CV uploads, and employer dashboards.

CERTIFICATIONS

- **PMI Agile Certified Practitioner (PMI-ACP®)** – 2025
- **Flutter Essential Training: Build for Multiple Platforms** – 2025
- **Artificial Intelligence Foundations: Machine Learning** – 2025
- **Power BI Essential Training** – 2025
- **Data Engineering Foundations** – 2025
- **Business Analysis Foundations: Competencies (IIBA®)** – 2025
- **SURGE Designathon (2025): Top 10 Finalist** – Recognized for creative problem-solving and collaborative UI/UX design as part of Team Glitch and Glam.

EDUCATION

BSc (Hons) Computer Science (Software Development)

University Of Staffordshire, UK
Undergraduate, Expected Graduation: 2026

Lyceum International School Wattala

Graduated: 2023

Cambridge Advanced Level (A/L) – 2021–2023

Subjects: Business Studies, Economics, Accounting

Cambridge Ordinary Level (O/L) – 2019–2021

Subjects: Literature, English, Mathematics,
Accounting, Economics, Business Studies,
Computer Science
